

Budget-friendly, Field Repairable Sewer Inspection Camera

Introducing the Traveler Lite, the perfect budget-friendly and field-repairable open-reel camera system for all your general inspection and locating needs. Ideal for inspecting 2" to 4" pipe sizes, this versatile system boasts a 23mm (0.9 inch) camera head, available in a self-leveling option, with LED lights and a 130-foot push rod.

Key Features of the Traveler Lite

- 23mm Self-leveling Camera Head ensures clear and stable video footage.
- 130-Foot Push Rod: Long reach to handle extensive inspection jobs.
- 8-Hour Battery Life: Reliable performance for a full workday without interruptions.
- [Android](#) and [iOS](#) Compatible: Easily integrates with your existing device (device not included).
- Insight Vision App: Utilize the free Insight Vision app for PDF report building, audio voiceover recording, and more.

Insight Vision App Features

- Personalized professional PDF report builder to send to your customer in minutes
